DESCRIPTION

2019 Ford Fusion Hybrid Titanium

This 2019 Ford Fusion Titanium Front Wheel Drive with 120,026 km has been Steele Certified, completed a motor vehicle inspection, and received a fresh oil and filter change; it passed inspection without the need for further corrective repairs. As the well-equipped Titanium trim, this Fusion Hybrid pairs its efficient I4 hybrid powertrain with an automatic transmission, offering a balanced mix of fuel economy and everyday comfort in a midsize sedan. Key features include leather interior, heated and cooled front seats, a sunroof, and a backup camera. A full mechanical inspection, brake and tire measurements, certified road test, and professional interior and exterior detailing have been completed. The accident history is clean, and service history is not available. Book a viewing and test drive with Steele Auto Group to see if this Fusion Titanium Hybrid fits your needs.
